## Wine List

Tasmania is a place of quiet beauty—rolling green hills, cool ocean breezes, and a rhythm dictated by nature. It's here, on this remote island at the edge of the world, that some of Australia's most exciting wines are born. The climate is cool, shaped by the surrounding Southern Ocean, allowing grapes to ripen slowly and develop remarkable depth and freshness.

You can feel that energy in every glass. Sparkling wines are crisp and refined, their fine bubbles carrying notes of citrus and brioche. Chardonnay and Riesling reflect the island's purity, with vibrant acidity and a mineral backbone. And then there's Pinot Noir—delicate yet complex, layered with red fruit, spice, and silky tannins. These wines aren't just made; they are shaped by their environment, telling the story of Tasmania with every sip.

This selection brings together wines that capture the essence of the island—its wild beauty, its precision, and its undeniable charm.

Cheers,

Corrado

Head Sommelier
